Powering Excellence
Through **Engineering**

Building Trust Through Quality & Engineering Excellence

At AKSA Electrical Engineering, we believe that every successful project begins with commitment, technical expertise, and uncompromising quality. Since our inception, our objective has been to provide reliable, safe, and innovative electrical engineering solutions that exceed our clients' expectations.

Our experienced team is dedicated to delivering projects with precision, professionalism, and on-time execution. From HT & LT electrical installations to ELV systems, testing & commissioning, and operation & maintenance, we strive to maintain the highest standards of engineering excellence and workplace safety.

We value long-term relationships built on trust, integrity, and customer satisfaction. Every project we undertake reflects our commitment to quality workmanship, continuous improvement, and sustainable engineering practices.

As we continue to grow, our focus remains on embracing new technologies, enhancing our capabilities, and delivering value-driven solutions for commercial, industrial, residential, and infrastructure projects.

We sincerely thank our clients, partners, and dedicated team members for their continued trust and support. We look forward to building a brighter and more sustainable future together.

INTRODUCTION TO AKSA

AKSA Electrical Engineering is a professionally managed electrical contracting company delivering comprehensive electrical solutions for commercial, industrial, institutional, residential, and infrastructure projects.

With a strong commitment to quality, safety, and timely execution, we provide end-to-end services in HT & LT electrical works, ELV systems, testing & commissioning, and operation & maintenance.

Driven by innovation and a customer-first approach, we strive to exceed expectations and power a smarter, safer, and sustainable future.

VISION & MISSION

At **AKSA** Electrical Engineering, our vision drives our purpose and our mission defines our commitment to deliver excellence every day.

OUR VISION

To be a leading electrical engineering company recognized for innovation, quality, and reliability, empowering a sustainable future through smart and efficient solutions.

OUR MISSION

To deliver safe, reliable, and cost-effective electrical solutions with the highest standards of quality, on-time execution, and exceptional customer satisfaction.

OUR COMMITMENT

Good client service built on attention to details and developing long term relationships. It's a mindset that's served both, us and our clients well in the past and we intend to stick to the principles our business is founded on.

OUR CORE VALUES

Our core values are the foundation of everything we do. They guide our decisions, shape our culture, and define our commitment to delivering excellence in every project we undertake.

INTEGRITY

We conduct our business with honesty, transparency, and strong ethical principles in all our interactions.

CUSTOMER FOCUS

We listen, understand, and deliver solutions that exceed our clients' expectations.

QUALITY EXCELLENCE

We are committed to delivering the highest standards of quality in our services, ensuring lasting value for our clients.

INNOVATION

We embrace new technologies and continuous improvement to deliver smarter, more efficient, and sustainable solutions.

SAFETY FIRST

The safety of our people, clients, and communities is our top priority in every project we execute.

TEAMWORK

We collaborate, support, and respect each other to achieve shared goals and mutual success.

ELECTRICAL ENGINEERING

OUR SERVICES

POWERING SOLUTIONS. DELIVERING EXCELLENCE.

We offer end-to-end electrical solutions tailored to meet the unique needs of commercial, industrial, institutional, residential, and infrastructure projects.

From design and supply to installation, testing, commissioning, and maintenance – we ensure quality, safety, and reliability at every step.

COMPREHENSIVE ELECTRICAL SOLUTIONS

We deliver a wide range of electrical services with a focus on quality, safety, efficiency, and customer satisfaction.

HT ELECTRICAL WORKS

HT cable laying, termination, jointing, testing, and associated works.

LT ELECTRICAL WORKS

Electrical distribution systems, DB installation, wiring, and lighting.

ELV SYSTEMS

Data, voice, CCTV, access control, FAPA, AV systems, and fiber optic solutions.

TESTING & COMMISSIONING

Testing, commissioning, and performance validation for all electrical systems.

OPERATION & MAINTENANCE

Annual maintenance contracts, regular inspection, and 24/7 support.

POWER DISTRIBUTION

Efficient power distribution solutions with reliable and safe operations.

SOLAR PV SOLUTIONS

Design, supply, installation, and commissioning of solar power systems.

CABLE PULLING & TERMINATION

HT & LT cable pulling, termination, and jointing up to 300 sqmm.

LIGHTING & EARTHING

Internal & external lighting solutions and earthing system installation.

DESIGN & CONSULTATION

Electrical system design, load calculations, and consultation services.

AKSA ELECTRICAL ENGINEERING ELV SYSTEMS

SMART TECHNOLOGY. SEAMLESS CONNECTIVITY.

We deliver advanced Extra Low Voltage (ELV) solutions designed to enhance safety, security, communication and efficiency across modern infrastructure.

STRUCTURED CABLING SOLUTIONS

High performance Cat6 cabling for Data, WiFi, Telephone, Access Control, CCTV & Fiber Optic.

FIRE ALARM & PA SYSTEMS

Intelligent fire detection, alarm and public address systems for early warning and safety.

IP BASED CCTV SYSTEMS

High definition IP CCTV solutions for 24x7 surveillance and remote monitoring.

ACCESS CONTROL SYSTEMS

Secure and scalable access control solutions for people, doors and restricted areas.

AV SYSTEMS

Professional Audio Visual solutions for meeting rooms, auditoriums and digital presentations.

FIBER OPTIC SOLUTIONS

Reliable fiber optic backbone for high speed data transmission and long distance connectivity.

ENHANCED SAFETY

Advanced systems for protection of people and assets.

INTEGRATED SOLUTIONS

Seamless integration of all ELV systems for better performance.

SMART & SCALABLE

Future ready solutions that grow with your business needs.

RELIABLE SUPPORT

End-to-end support from design to after sales service.

OUR ELV SOLUTIONS

CAT6 NETWORK CABLING

High speed data & voice connectivity solutions.

WIFI SOLUTIONS

Reliable wireless connectivity for seamless performance.

IP CCTV SYSTEMS

Advanced IP surveillance for complete security.

ACCESS CONTROL SYSTEMS

Secure access for people and authorized entry.

FIRE ALARM & PA SYSTEMS

Early detection, alarm and clear communication.

AV SYSTEMS

Audio visual solutions for meetings & presentations.

TELEPHONE SYSTEMS

Reliable communication for your organization.

CONTINUOUS POWER. MAXIMUM UPTIME.
TOTAL PEACE OF MIND.

We provide end-to-end operation and maintenance services to ensure the safety, reliability, efficiency and long life of your electrical systems and infrastructure.

RELIABLE OPERATIONS

24/7 monitoring and proactive management for uninterrupted operations.

PREVENTIVE MAINTENANCE

Scheduled inspections and preventive maintenance to avoid breakdowns.

FASTER RESPONSE

Quick response team for breakdowns and emergency support.

COST OPTIMIZATION

Optimized maintenance practices to reduce downtime and operational costs.

COMPLIANCE & SAFETY

Ensure compliance with statutory norms and highest safety standards.

OUR COMMITMENT

- ✓ Ensure Safety
- ✓ Ensure Reliability
- ✓ Minimize Downtime
- ✓ Improve Efficiency
- ✓ Extend Asset Life
- ✓ Deliver Value

OUR O&M SERVICES

ROUTINE INSPECTION & MONITORING

Regular inspections, monitoring and performance evaluation of all systems.

PREVENTIVE MAINTENANCE

Scheduled servicing, cleaning, tightening and testing to prevent failures.

BREAKDOWN & CORRECTIVE MAINTENANCE

Quick diagnostics, repair and rectification to restore operations with minimal downtime.

SYSTEM UPGRADES & RETROFITS

Upgradation and retrofitting solutions to improve system performance and efficiency.

ENERGY MANAGEMENT & OPTIMIZATION

Energy monitoring, analysis and optimization for cost savings and efficiency improvement.

COMPLIANCE & SAFETY MANAGEMENT

Ensure compliance with safety standards, regulations and statutory requirements.

OUR QUALITY PROCESS

PROJECT EXECUTION METHODOLOGY

FROM CONCEPT TO COMMISSIONING

AKSA Electrical Engineering follows a systematic execution process to ensure every project is delivered safely, efficiently, and in accordance with client requirements.

01.

REQUIREMENT ANALYSIS

Our engineering team reviews:

- Client requirements
- Tender specifications
- Electrical drawings
- Site conditions
- Project schedule

DELIVERABLES

- ✓ Technical review
- ✓ Site survey
- ✓ Scope confirmation

02.

ENGINEERING & PLANNING

Before execution begins, we prepare:

- Material planning
- Manpower planning
- Work schedule
- Risk assessment
- Procurement plan

OBJECTIVE

Deliver the project with minimum delays and maximum efficiency.

03.

PROCUREMENT & LOGISTICS

AKSA ensures:

- Approved materials
- Timely procurement
- Quality inspection
- Safe transportation
- Organized site storage

04.

INSTALLATION & EXECUTION

Our experienced team executes:

- HT & LT electrical works
- Internal electrification
- Electrical panels
- ELV systems
- Lighting installation
- Earthing system
- Cable laying & termination

Every activity is supervised by experienced engineers.

05.

TESTING & COMMISSIONING

Before project handover, we perform:

- Insulation Resistance (IR) Testing
- Earth Resistance Testing
- Continuity Testing
- Phase Sequence Testing
- Functional Testing
- System Commissioning

06.

DOCUMENTATION & HANDOVER

Final documentation includes:

- Test reports
- Inspection records
- As-built drawings (where applicable)
- Operation & maintenance documents
- Client handover

HEALTH, SAFETY & ENVIRONMENT

At AKSA Electrical Engineering, safety is an integral part of every project. We are committed to protecting our employees, clients, subcontractors, and the environment by promoting safe work practices and complying with applicable safety requirements.

OUR HSE POLICY

We are committed to:

- ✓ Providing a safe and healthy workplace.
- ✓ Preventing accidents and occupational injuries.
- ✓ Protecting the environment during project execution.
- ✓ Complying with statutory safety requirements.
- ✓ Promoting a strong safety culture through training and awareness.

SAFETY PRACTICES

Personal Protective Equipment (PPE)

-  Safety Helmet
-  Safety Shoes
-  Reflective Safety Jacket
-  Hand Gloves
-  Safety Goggles
-  Full Body Safety Harness (for work at height)

SITE SAFETY MEASURES

- Daily toolbox talks
- Risk assessment before starting work
- Safe electrical isolation (Lockout/Tagout where applicable)
- Barricading of hazardous work areas
- Good housekeeping practices
- Fire extinguishers available at work locations

EMERGENCY PREPAREDNESS

First aid availability

Emergency contact procedures

Fire evacuation plan

Incident reporting and investigation

ENVIRONMENTAL COMMITMENT

AKSA is committed to reducing environmental impact by:

Proper disposal of electrical waste

Efficient use of materials

Minimizing construction waste

Maintaining clean and organized work sites

Encouraging energy-efficient solutions
